6.6 Price Adjustment

6.6.1 Prices shall be adjusted for fluctuations in the cost of inputs only if **provided for in the SCC**. If so provided, the amounts certified in each payment certificate, after deducting for Advance Payment, shall be adjusted by applying the respective price adjustment factor to the payment amounts due in each currency. A separate formula of the type indicated below applies to each Contract currency:

$$P_c = A_c + B_c \text{ Lmc/Loc} + C_c \text{ Imc/loc}$$

Where:

P_c is the adjustment factor for the portion of the Contract Price payable in a specific currency “c”.

A_c , B_c and C_c are coefficients specified in the SCC, representing: A_c the nonadjustable portion; B_c the adjustable portion relative to labor costs and C_c the adjustable portion for other inputs, of the Contract Price payable in that specific currency “c”; and

Lmc is the index prevailing at the first day of the month of the corresponding invoice date and Loc is the index prevailing 28 days before Bid opening for labor; both in the specific currency “c”.

Imc is the index prevailing at the first day of the month of the corresponding invoice date and loc is the index prevailing 28 days before Bid opening for other inputs payable; both in the specific currency “c”.

If a price adjustment factor is applied to payments made in a currency other than the currency of the source of the index for a particular indexed input, a correction factor Z_o/Z_n will be applied to the respective component factor of p_n for the formula of the relevant currency. Z_o is the number of units of currency of the country of the index, equivalent to one unit of the currency payment on the date of the base index, and Z_n is the corresponding

number of such currency units on the date of the current index.

6.6.2 If the value of the index is changed after it has been used in a calculation, the calculation shall be corrected and an adjustment made in the next payment certificate. The index value shall be deemed to take account of all changes in cost due to fluctuations in costs.

6.7 Dayworks 6.7.1 If applicable, the Daywork rates in the Service Provider's Bid shall be used for small additional amounts of Services only when the Procuring Entity has given written instructions in advance for additional services to be paid in that way.

6.7.2 All work to be paid for as Dayworks shall be recorded by the Service Provider on forms approved by the Procuring Entity. Each completed form shall be verified and signed by the Procuring Entity representative as indicated in Sub-Clause 1.6 within two days of the Services being performed.

The Procuring Entity may instruct the Service Provider to search for a Defect and to uncover and test any service that the Procuring Entity considers may have a Defect. Defect Liability Period is as **defined in the SCC**.

7.2 Correction of Defects, and Lack of Performance Penalty

(a) The Procuring Entity shall give notice to the Service Provider of any Defects before the end of the Contract. The Defects liability period shall be extended for as long as Defects remain to be corrected.

(c) If the Service Provider has not corrected a Defect within the time specified in the Procuring Entity's notice, the Procuring Entity will assess the cost of having the Defect corrected, the Service Provider will

pay this amount, and a Penalty for Lack of Performance calculated as described in Sub-Clause 3.8.

8. Settlement of Disputes

8.1 Dispute Settlement

Amicable Settlement

Any claim for loss or damage arising out of breach or termination of Agreement shall be settled between the Procuring Entity and Supplier by negotiation. If this negotiation is not successfully settled within fifteen (15) days after the date of initiation or negotiation or within such longer period as the parties may mutually agree, then the parties will jointly agree, within ten (10) days after the date of expiration of the period in which the parties should have successfully concluded their negotiations, to appoint a Mediator to assist in reaching an amicable resolution of dispute. This procedure shall be private and without prejudice. If the parties fail to agree upon the appointment of a Mediator within the stipulated period, then, within seven (7) days of expiration of this period, the Procuring Entity shall request appointment of a Mediator by the Dispute Resolution Foundation of Jamaica. The Mediator shall not have the power to impose a settlement on the parties. If the dispute is not resolved between the parties within thirty (30) days after the appointment of the Mediator by the Dispute Resolution Foundation of Jamaica, or after such longer period as the parties may mutually agree, the mediator shall advise the parties of the failure of the Mediation.

For the purposes of this clause, a negotiation is deemed to have been initiated as of the date of receipt of notice by one party of a request from the other party to meet and negotiate the matter in dispute.

For the purposes of this clause, a Mediator is deemed to have been appointed as of the date of notice of such appointment being given to both parties.

Dispute Settlement

In the event of the failure of the mediation between parties, the mediator will record those verifiable facts that the parties have agreed. Subsequently the case will be handled by arbitration. The parties agree to accept the award of the Arbitrator as binding and irrevocable within the provisions of the Arbitration Act of Jamaica. The mediator's role in the dispute resolution process shall cease upon appointment of

the Arbitrator. During the dispute settlement process, the Supplier shall continue to perform the work in accordance with this contract. Failure to do so shall be considered a breach of contract.

Arbitration

The seat of the arbitration shall be Jamaica and disputes shall be settled in accordance with the Arbitration Act of Jamaica. Rules of procedure to be adopted shall be those as published by the United Nations Commission on International Trade Law (UNCITRAL) *Arbitration Rules of 1976*.
